

Bibliography of Academic Writings in the Field of Chinese Law in Western Languages in 2007

Knut Benjamin Pißler, LI Xirui¹

The bibliography of academic writings in the field of Chinese law in western languages was first published in the year 2003 in this journal (*Zeitschrift für Chinesisches Recht/Journal of Chinese Law*). The bibliography aims to give readers an overview on articles in academic journals, contributions to edited volumes, monographs and textbooks published in English or German on the field of Chinese law. Writings in French and Italian language could only partly be considered.

Regarding relevant German-language literature, the issues 1 to 12 of the journal „*Karlsruher Juristische Bibliographie*“ (KJB) of the year 2007 were screened for articles relating to Chinese Law. Simultaneously the classification scheme of the KJB was used as a model in this bibliography as follows:

Classification Scheme

- I. Law and Jurisprudence (Recht und Rechtswissenschaft)
- II. Legal and Constitutional History (Rechts- und Verfassungsgeschichte)
- III. Private Law (Privatrecht)
 1. In General (Allgemein)
 2. General Part of the Civil Code (Allgemeiner Teil des Zivilrechts)
 3. Law of Obligations (Schuldrecht)
 4. Law of Property (Sachenrecht)
 5. Family Law (Familienrecht)
 6. Law of Succession (Erbrecht)
 7. Business Organisations (Gesellschaftsrecht)
 8. Insurance (Privatversicherungsrecht)
 9. Industrial Property, Copyright and Publishing (Gewerblicher Rechtsschutz, Urheber- und Verlagsrecht)
 10. Unfair Competition, Trademarks, Anti-trust Legislation (Wettbewerbs- und Warenzeichenrecht, Kartellrecht)

11. Conflicts of Laws, Uniform Private Law (Internationales Privatrecht, Einheitsrecht)
- IV. Judicial System, Practice and Procedure, Civil Procedure (Gerichtsverfassung, allgemeines Prozessrecht und Zivilprozess)
- V. Criminal Law and Criminal Procedure (Strafrecht und Strafverfahren)
- VI. Theory of the State, Sociology, Politics (Staats- und Gesellschaftslehre, Politik)
- VII. Public Law and Constitutional Law (Staats- und Verfassungsrecht)
- VIII. Administrative Law (Allgemeines Verwaltungsrecht)
- IX. Administrative Law - Individual Branches (Besonderes Verwaltungsrecht)
- X. Economic Legislation (Wirtschaftsrecht)
- XI. Traffic Laws (Verkehrsrecht)
- XII. Financial Laws and Taxation (Finanz- und Steuerrecht)
- XIII. Labor Law (Arbeitsrecht)
- XIV. Social Legislation (Sozialrecht)
- XV. Public International Law (Völkerrecht)

Inside this classification scheme the titles of the contributions are listed in alphabetic order of the authors. Abbreviations are not utilized in order to facilitate the use of this bibliography by international readers.

Concerning English-language literature we mainly focused on periodicals and books available at the library of the Max-Planck-Institute for Comparative and International Private Law (MPI) in Hamburg. The catalogue of the library of the MPI is available via the homepage of the institute at www.mpipriv.de (WWW-OPAC). Besides we scrutinized fee-charging databases like Westlaw, LexisNexis, Juris and Beck-Online for relevant articles.

We admit that this bibliography is not comprehensively including all literature in western languages on Chinese law in the year 2007. Readers are explicitly encouraged to remind us of pieces we left unnoticed.² We will include these in the next bibliography to be published in the second issue of this journal in the year 2009.

¹ Dr. iur. Knut Benjamin Pißler, M.A., research associate at the Max Planck Institute for Comparative and Private International Law in Hamburg (email: pissler@mpipriv.de). LI Xirui is student at the Bucerius Law School in Hamburg and currently doing an internship at the department for Chinese law at the Max-Planck-Institute in Hamburg (email: xirui.li@law-school.de).
